Assessment Program to become IMI Certified Mediator (by the International Mediation Institute)

CONCILIA is pleased to host online, the evaluation program for the qualification as IMI certified mediator (QAP) approved by the International MEDIATION INSTITUTE (IMI). IMI is the only one of its kind in the world, as it is the only global organization which has the aim of cultivating global professional standards for mediators, lawyers and others involved in the ADR world.

From 2013, CONCILIA is the first Italian organization and one of the few in the world that can boast the ability to open the road to professional mediators to become accredited and certified by IMI worldwide!

In fact, CONCILIA has been certified and accredited in 2013 as Qualifying Assessment Program (QAP) so that, after passing a special examination, mediators with some practical experience in the field, can be certified for their high professional standards.

If, as a mediator, you already own professional specifications required by IMI, if you want to expand your career opportunities and your professional reputation as a mediator, let subscribe to the assessment that CONCILIA proposes as the first IMI Qualifying Assessment Program in Italy!

So you can become  like the few professional mediators in the world who already have such a prestigious certification and are enrolled in the list available on the official website www.imimeditation.org.

THE SCIENTIFIC DIRECTION OF THE ASSESSMENT IS ASSIGNED TO THE LAWYER MR. ALESSANDRO BRUNI, FOUNDING PARTNER OF CONCILIA, PROFESSOR OF MEDIATION AND ADR AT THE INTERNATIONAL ACADEMY OF SCIENCES OF PEACE, AND AT THE UNIVERSITY OF PISA, AND ONE OF THE FIRST TWO ITALIAN MEDIATORS TO HAVE ACHIEVED IN 2009 THE PRESTIGIOUS CERTIFICATION AS "IMI CERTIFIED MEDIATOR".

The names of all the mediators who successfully pass the assessment will be communicated to the governing bodies of the International Mediation Institute (IMI) to start the global accreditation process as "IMI Certified Mediator".
